

## **Jemal McNeil -Henderson**

Jemal McNeil has always had a passion for acting and proudly calls himself an 'artist.' He believes that an 'artist' has the ability to affect and change. Some of his theater credits are: MA RAINEY'S BLACK BOTTOM, RED BADGE OF COURAGE (Richard Thomas), OTHELLO (Avery Brooks), KING LEAR (Charles Dutton), SNOW ANGEL (Ben Guillory) and ABORIGINAL TREATMENT CENTER. He has appeared in several national commercials, as well as television roles in: "Cold Case," "The Shield," and "Community." He would like to thank Leonard Manzella for believing in him, John Lawrence Rivera for his vision, and the cast and crew of CAGES. He dedicates his performance to his mother, Barbara Brown.
